## WELCOME TO THE NEW A'KIN!

A'kin has developed a refreshed brand identity that offers a more contemporary look and feel and clarified messaging.

The new brand identity consists of a masterbrand logo that remains recognisable yet unique, wordmark icon, new typeface, colour palette, tone of voice and revitalised packaging design. The new A'kin also features new formulations and product offering with haircare and deodorants that offer skinification benefits.

Our colour palette celebrates the vast natural florals and landscapes of Australia; from dark eucalyptus green to the bright pink of a gum blossom. The colour palette is uplifting and energising combined with earthy grounding colours that will become recognisable as uniquely A'kin.
